ArcGIS pro, ArcGIS online, ArcGIS
story maps, Survey 123, Field
maps and QGIS

Spatial databases-Postgres

Spatial simulation - GAMA

Java (Beginner)

Geodata acquisition- Agisoft metashape,
Trimble.

Report writing

LANGUAGE SKILLS

English- Proficient

German - A1.1

PROFILE

Geospatial Analyst with professional and academic experience in leveraging Geographic Information Systems (GIS) technologies in problem solving. Adept knowledge in geospatial data collection, analysis, and visualization with hands-on experience in Esri products including cloud-based GIS technologies. I have a comfortable understanding of spatial databases and currently working on my Java skills. I am very open-minded, communicative, team player and always willing to learn and take on new challenges.
